

FIX THE 6IX X JIMMY'S

Our donations are coming along nicely with all the gift cards we've collected from Jimmy's Coffee! The donations we made this spring include:

- \$225 in Starbucks gift cards to Kennedy House Youth Shelter
- One movie trip (6 tickets) to Eva's Place Youth Shelter
- \$200 in grocery gift cards to Wigwamen
- An assortment of new books, journals and colouring books to Sistering

We couldn't do the work we do without the valuable community partnership of Jimmy's Coffee. This is the second year that we have gift card donation boxes in all 8 of their locations. We are very thankful for the visibility that they give Fix the 6ix in the community!

Humanize Homelessness

Our Humanize Homelessness team is doing very well. A nomination was sent in for one of the volunteer photographers to a Volunteer Toronto award. Adrian has been working on Fix the 6ix since we started 3 years ago and has made an outstanding contribution championing Humanize Homelessness.
